The company's compensation equality policy:

The company has established the "Compensation Committee" and provided employees with competitive salaries. Through a transparent and equitable compensation policy, the company's operational performance is shared with employees. For entry-level positions of the same job category, all hired personnel receive the same treatment. Additionally, for individuals with relevant expertise and work experience, compensation is determined based on the candidate's educational background, work experience, specialties, and certifications, without any differences based on gender or ethnicity.
